

### *Maps and Direction*

#### **To the Ruby Valley Medical Center**

The Ruby Valley Medical Center and Clinic is located at 321 Madison Street, right across from the Tobacco Root Mountains Care Center.

#### **To the Ruby Valley Medical Center from the east (Alder, Virginia City, Ennis)**

As you come into Sheridan, take the first right onto East Crofoot. Continue on East Crofoot for two blocks and turn right onto Madison Street. Halfway down the block, turn

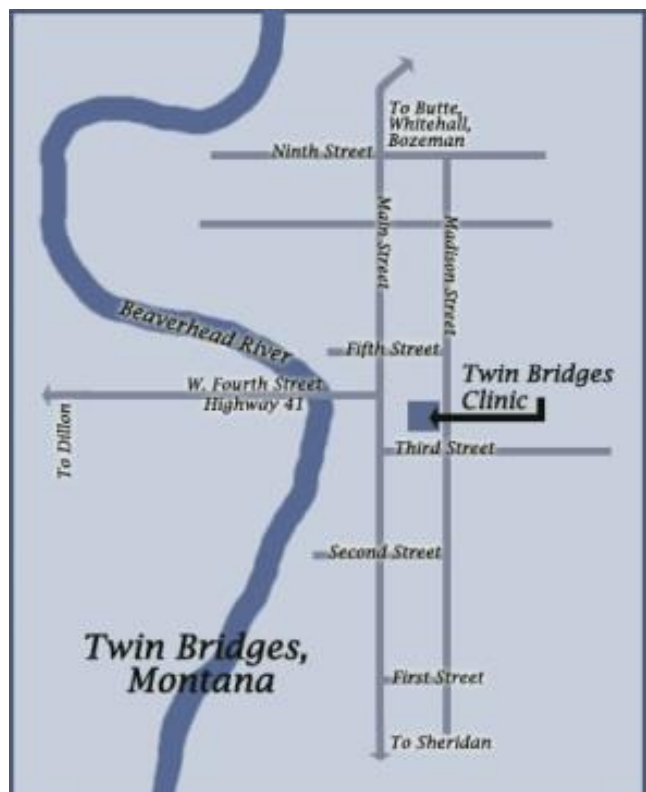

left into the parking lot for the Ruby Valley Medical Center.

#### **To the Ruby Valley Medical Center from the west (Twin Bridges, Dillon, Whitehall)**

Drive through Sheridan's commercial district to the east end of town. On your left, you'll see the Prospector Drive-In at the corner of Main Street and East Crofoot. Turn left onto East Crofoot and drive two blocks to Madison Street. Turn right onto Madison Street. Halfway down the block, turn left into the parking lot for the Ruby Valley Medical Center

#### **To the Twin Bridges Clinic coming from the north**

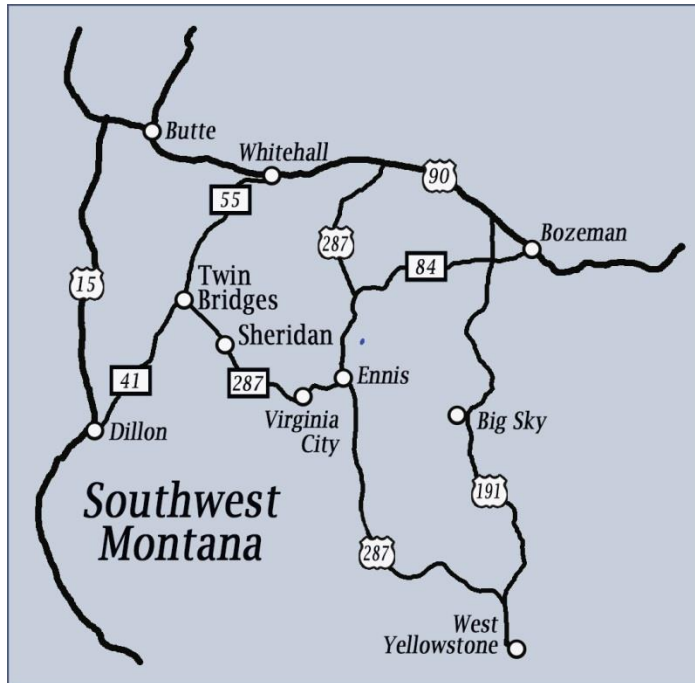

From Main Street, turn left onto Fifth Street. At the end of the block turn right on Madison Street. You'll see the Twin Bridges Clinic on your right,

toward the end of the block at 104 South Madison Street.

### **To the Twin Bridges Clinic coming from the south**

From Main Street, turn right on Third Street. Take the next left which is Madison Street. You'll see the Twin Bridges Clinic on your left at 104 South Madison Street.

### **To the Ruby Valley from Ennis**

Leave Ennis on Highway 287 heading west, toward the mountains. You'll pass a giant bronze fly fisherman on your right. Follow Highway 287 over the pass into Virginia City. Stay on Wallace Street straight through Virginia City. The highway will resume but you'll need to slow down in a couple miles as you enter Nevada City. The distance between Nevada City and Alder is about nine miles. Alder is the eastern entrance to the Ruby Valley. Keep heading west another 9-10 miles and you'll arrive in Sheridan.

### **To the Ruby Valley from Dillon**

Leave Dillon on North Montana Street and head north on Highway 41. Stay on Highway 41 for 28 miles and you'll come into Twin Bridges on Fourth Street. Turn right at the flashing light onto Main Street.

If you're going to the Twin Bridges Clinic, you will take the next left at Third Street and left again onto Madison Street. The clinic is on the left at 104 South Madison Street.

If you're going to Sheridan, stay on Main Street. At you leave town, you'll travel on Highway 287 and Sheridan is 8 miles east.

### **To the Ruby Valley from Butte**

Head south on Harrison Avenue. After the 5 Mile Bar (on the left), keep an eye out for the sign to Whitehall (Highway 2). Turn left onto Highway 2 and stay on this road for 17 miles. You'll be driving over the Continental Divide, through some hairpin turns and switchbacks. Please take your time and mind the speed limit signs. They are posted for your safety. After the road starts to straighten

Maps and directions to the Ruby Valley Medical Center in Sheridan and the Ruby Valley Medical Clinic in Twin Bridges.

out, watch for the sign for Twin Bridges. Turn right at this sign and you'll be on Highway 41. After 8 miles, you'll come to a flashing yellow light at a "T" intersection. Turn right and continue on Highway 41 into Silver Star and then to Twin Bridges.

**To the Ruby Valley from Bozeman**

Head west on Highway 90 to Whitehall (49 miles). At the Whitehall exit, turn left and drive into town. At the "T" intersection, turn right. At the west end of town, you'll see a sign for Twin Bridges. Turn left onto Highway 55 to Twin Bridges. It's about 15 miles from Whitehall to Silver Star and another 10 miles from Silver Star to Twin Bridges.
